## Consent for Disclosure of Protected Health Information

I hereby acknowledge receipt of Notice of Privacy Practices and give my consent for the Presidential Healthcare Center (medical practice of Jeffrey A. Elting, M.D., M.P.H., M.S.) to use and disclose protected health information (PHI) about me to carry out treatment, payment and healthcare operations (HO).

The Notice of Privacy Practices provided by the medical practice describes such uses and disclosures more completely.

I have the right to review the Notice of Privacy Practices prior to signing this consent. The medical practice reserves the right to revise its Notice of Privacy Practices at any time. A revised Notice of Privacy Practices may be obtained by forwarding a written or email request to the medical practice in care of Jeffrey A. Elting, M.D., M.P.H., M.S. 5215 Loughboro Road NW Suite 470 Washington, DC 20016, 202-537-1101 (fax), 202-537-1100 (tel), 202-528-2722 (cell), info@PresidentialHealthcareCenter.com.

With this consent, the medical practice may call my home or other alternative location and leave a message on voice mail or in person in reference to any items that assist the practice in carrying out HO, such as appointment reminders, insurance items and any calls pertaining to my clinical care, including laboratory test results, among others.

With this consent, the medical practice may mail to my home or other alternative location any items that assist the practice in carrying out HO, such as appointment reminder cards and patient statements as long as they are marked "Personal and Confidential."

With this consent, the medical practice may fax or e-mail to my home or other alternative location any items that assist the practice in carrying out HO, such as appointment reminder cards, clinical information, and patient statements. I have the right to request that the medical practice restrict how it uses or discloses my PHI to carry out HO. The practice is not required to agree to my requested restrictions, but if it does, it is bound by this agreement. I also accept the risk of breaches in privacy associated with the use of email and the internet for communication of PHI.

By signing this form, I am consenting to allow the medical practice may use and disclose my PHI to carry out HO. I also authorize the release of any information regarding service rendered and allow a photocopy of my signature to be used to file insurance claims.

I may revoke my consent in writing except to the extent that the practice has already made disclosures in reliance upon my prior consent. If I do not sign this consent, or later revoke it, the medical practice may decline to provide treatment for me.

## Notice of Privacy Practices

As required by the privacy regulations created as a result of the Health Insurance Portability and Accountability Act of 1996 (HIPAA). This notice describes how health information about you (as a patient of this practice) may be used and disclosed and how you can get access to your individually identifiable health information. Please review it carefully.

### **A. Our commitment to your privacy:**

The Presidential Healthcare Center is dedicated to maintaining the privacy of your individually identifiable health information (also called *protected* health information, or PHI). In conducting our business, we will create records regarding you and the treatment and services we provide to you. We are required by law to maintain the confidentiality of health information that identifies you. We also are required by law to provide you with this notice of our legal duties and the privacy practices that we maintain in our practice concerning your PHI. By federal and state law, we must follow the terms of the Notice of Privacy Practices that we have in effect at the time.

We realize that these laws are complicated, but we must provide you with the following important information:

- How we may use and disclose your PHI,
- Your privacy rights in your PHI,
- Our obligations concerning the use and disclosure of your PHI.

The terms of this notice apply to all records containing your PHI that are created or retained by the practice. We reserve the right to revise or amend this Notice of Privacy Practices. Any revision or amendment to this notice will be effective for all of your records that our practice has created or maintained in the past, and for any of your records that we may create or maintain in the future. Our practice will post a copy of our current Notice in our office and on our website, and you may request a copy of our most current Notice at any time.

### **B. If you have questions about this Notice, please contact:**

### **C. We may use and disclose your PHI in the following ways:**

The following categories describe the different ways in which we may use and disclose your PHI.

**1. Treatment.** The practice may use your PHI to treat you. For example, we may ask you to have laboratory tests (such as blood or urine tests), and we may use the results to help us reach a diagnosis. We might use your PHI in order to write a prescription for you, or we might disclose your PHI to a pharmacy when we order a prescription for you. Many of the people who work for our practice – including, but not limited to, our doctors and nurses – may use or disclose your PHI in order to treat you or to assist others in your treatment. Additionally, we may disclose your PHI to others who may assist in your care, such as your spouse, children or parents. Finally, we may also disclose your PHI to other health care providers for purposes related to your treatment.

Payment.** The practice may use and disclose your PHI in order to bill, collect payment for the services and items you may receive from us, and to process claims on your behalf so that payment goes to you. For example, we may contact your health insurer to certify that you are eligible for benefits (and for what range of benefits), and we may provide your insurer with details regarding your treatment to determine if your insurer will cover, or pay for, your treatment. We also may use and disclose your PHI to obtain payment from third parties that may be responsible for such costs, such as family members. Also, we may use your PHI to bill you directly for services and items. We may disclose your PHI to other health care providers and entities to assist in their billing and collection efforts.

**3. Health care operations.** The practice may use and disclose your PHI to operate our business. As examples of the ways in which we may use and disclose your information for our operations, our practice may use your PHI to evaluate the quality of care you received from us, or to conduct cost-management and business planning activities for our practice. We may disclose your PHI to other health care providers and entities to assist in their health care operations.

In this example, the baby sitter may have access to this child's medical information.

**8. Disclosures required by law.** The practice will use and disclose your PHI when we are required to do so by federal, state or local law.

You must provide us with a reason that supports your request for amendment. Our practice will deny your request if you fail to submit your request (and the reason supporting your request) in writing. Also, we may deny your request if you ask us to amend information that is in our opinion: (a) accurate and complete; (b) not part of the PHI kept by or for the practice; (c) not part of the PHI which you would be permitted to inspect and copy; or (d) not created by our practice, unless the individual or entity that created the information is not available to amend the information.

Use of your PHI as part of the routine patient care in our practice is not required to be documented – for example, the doctor sharing information with the nurse; or the billing department using your information to file your insurance claim. In order to obtain an accounting of disclosures, you must submit your request in writing to Jeffrey A. Elting, M.D., M.P.H., M.S., 202-537-1100, 202-528-2722, [info@PresidentialHealthcareCenter.com](mailto:info@PresidentialHealthcareCenter.com). The first list you request within a 12-month period is free of charge, but our practice may charge you for additional lists within the same 12-month period. Our practice will notify you of the costs involved with additional requests, and you may withdraw your request before you incur any costs.

**6. Right to a paper copy of this notice.** You are entitled to receive a paper copy of our notice of privacy practices. You may ask us to give you a copy of this notice at any time. You will not be penalized for filing a complaint.

**8. Right to provide an authorization for other uses and disclosures.** Our practice will obtain your written authorization for uses and disclosures that are not identified by this notice or permitted by applicable law. Any authorization you provide to us regarding the use and disclosure of your PHI may be revoked at any time *in writing*. After you revoke your authorization, we will no longer use or disclose your PHI for the reasons described in the authorization. *Please note:* we are required to retain records of your care.
